“General Chapter”

Peter Nunes

FIT ASCE President

The Year was started with a bang! We have seen a lot of new faces, from freshmen up to seniors along with some familiar faces. The excitement was contagious as Peter Nunes, Priyanka, Charles and Corey did presentations on previous years of ASCE. This included presentations on Concrete Canoe, Steel Bridge and other activities that were done at regional's. I have a feeling this semester is going to be a good one!
